

# Pets Are Delicious Meat

Taiwo Olokun

Just as Whites are not special than other humans, Pets are **not** special than other animals. In Switzerland the law allows cooking and eating of Dogs and Cats, also in Australia. In Canada, the law allows cooking and eating of Dogs. In India they think Cows are sacred/special, but in the U.S. people eat Cows which are sacred to Indians. I once saw a woman (in California) who brought her Pig to a store and people caressed and adored the Pig. Another woman (in California) walked around with her Duck as her Pet, but Americans eat Pigs and Ducks, which are Pets to some Americans. Think of all the money and resources that people in rich countries are spending on Pets and **Entertainment**, while people in poor countries are suffering lack of food, water and medical supplies. Stop wasting money and resources on your **Selfish-Fantasies**, direct all that wastage towards compassionate help of fellow humans in poor countries.

God created plants and animals to serve humans in **various ways**, including as meat and medicine. Most importantly consider the following: Genesis 9:1-6 “So God blessed Noah and his sons and said to them: Be fruitful and multiply and fill the earth. And the fear of you and the dread of you shall be on every beast of the earth, on every bird of the air, on all that move on the earth, and on all the fish of the sea. They are given into your hand. **Every moving thing that lives shall be meat for you. I have given you all things, even as the green herbs.** But you shall not eat flesh with its life, that is, its blood. Surely for your lifeblood I will demand a reckoning, from the hand of every beast I will require it, and from the hand of man. From the hand of every man’s brother I will require the life of man. Whoever sheds human blood, by human being his blood shall be shed. For in the image of God He made human being.”

I display the message PETS ARE DELICIOUS MEAT because lots of Americans need to be set-free from their narrow-mindedness and ignorance on this matter. I’m trying to open the eyes of those who are caught-up in **Fantasy** with Pets, and who are placing much **priority** on Play, Entertainment and Self-pleasures (worthless things). **Those who claim to be Christian are the most culpable (who will be Judged with the greatest Condemnation) because they hold the same mindset as non-Christians by neglecting the teachings of the One they claim to be their Master.** In my article “Non-Judgmental World”, i give full details of how Evangelicals are rejecting the One they claim to be their Master.

If you claim to be Christian, I **DARE YOU** to sell your Pet(s) away, if you cannot, then your Pets are your Gods, not the Lord Jesus. I **DARE YOU** to give-up all your Play, Entertainment and Sports, if you cannot, then those are your Gods, not the Lord Jesus.
